This time, I have reached the terminar. I very moderately applied the story and the characters ... We go too fast in this futuristic world, without explanations and that night in addition to the understanding and reading I could not attach myself to the character of Bedius, (tris) whose evolution and adaptation to his new faction is too fast, too easy. This Tomo 1 ends rather well with a small "happy end", I might have loved a little more difficulty in triumphing over evil, a little more fight or tension, but I have left Still two other volumes to detect and I have no doubt that they will fill my expectations, she talks about the volume of not corresponding to a single chose. And at the same time, we all want to assert personally, be an individual apart, express his own voice. Ella y su marido s parro vive actual in chicago. JeÀÀai adorÀ© cette lecture. CèÀÀest un aspect qui est trÀ©s bien d'À©peint dans l'ÀÀhistoire. Tout en croisant sur son chemin l'amour, mais aussi la guerre... Je me suis tout de suite sentie dans la peau de Tris et ai compliÀ©tement adhÀ©rÀ©e a cet univers ou les 5 factions priment.
